## Non-Profits, Community Organizations and Businesses

–

### Looking for Temporary No Cost Labor Solutions? Your Opportunity Is Now!

Are you an employer? A non-profit? A community organization? Do you have temporary projects that need resolving? The Youth Opportunity Center can help you solve your problem NOW – at no cost!

If you would like to take advantage of this temporary no-cost workforce solution, please complete a worksite application form at

[www.pacificgatewayworkforce.com](http://www.pacificgatewayworkforce.com) or call one of the following numbers:

562.570. 4735, 562.570.4733, or, toll free, 866.631.9400.

If you are ready to invest in training youth, ages 14-24, to complete your projects, you'll get hundreds of hours of no-cost assistance. These work-ready young adults can work up to 200 hours prior to September.

Through the Recovery Act 2009 funds, the Pacific Gateway Workforce Investment Network will provide wages, worker's compensation insurance, a job coach and all required administrative procedures.

If you are a community agency, non-profit, government, or private sector business, and can provide a meaningful work experience in an established work environment, mentoring and all necessary work equipment and tools, this is an opportunity you won't want to miss.

The Summer Youth Employment Training Program is administered by the Pacific Gateway Workforce Investment Network's Youth Opportunity Center.

*The Workforce Investment Network is an Equal Opportunity Employer/Program. Auxiliary aids and services available upon request to individuals with disabilities. To request a*
